Those for calculating the prices of tea in dollars or pence have been copied from the more extended tables, by the kind permission of the author, P. Loureiro, Esq. The last section of the same chapter, on 'Movements in Bullion,' has been prepared and furnished for the Guide by Patrick J. The Appendix of Sailing Directions has been reprinted from the "China Pilot." With short interruptions, the coasts from Singapore to Hakodadi are all described in it; and for the Chinese coasts, the Directions have been improved by the insertion of the Chinese characters for the names of all places that could be ascertained."
